Youth Protection and This is Scouting should be done before Leader Specific Training.

Youth Protection Training

Youth Protection Training is required by the state for every registered adult leader in the Middle Tennessee Council. You have 90 days from the submission of your adult registration to participate in Youth Protection Training, and then you will need to renew the training every 2 years. Youth Protection Training is taken online.

This is Scouting

“This is Scouting” is an introductory session that highlights the values, aims, history, funding, and methods of Scouting. It addresses how these aims and methods are reached in an age appropriate style within Cub Scouting, Boy Scouting, Varsity Scouting and Venturing. Each registered leader will find this to be a valuable tool in understanding the basics of the Scouting program.

Leader Specific Training

The training provides the specialized knowledge a new leader needs to assume a leadership role. Each course is designed for a specific leadership position and has been developed for the following positions and their assistants: Tiger Cub Den Leaders; Cub Scout Den Leaders, Webelos Den Leaders; Cubmasters and Pack Committee Members.
